TECHNICAL DATA SHEET

CIIFROL CORROBAN RPO 630

Machine Oil for Metal Rod Straightening

DESCRIPTION

This product is designed for machine oil, for specific purpose of straitening of metal road.

APPLICATION

Ciifrol Corroban RPO 630 leaves a greasy film, resistant to handling and gives excellent protection. It can be used for protection against Rust during storage of valuable machine tools and can also be used as a final protective coating under severe conditions. This makes it a primary candidate for most metal rod straightening operations, which typically involve drawing the rod through dies.

PRODUCT BENEFITS

- Low odour. Excellent operator acceptance.
- Minimum carries over.
- Optimum film thickness to provide best coverage resulting in savings for customers.
- Solvent free, Chlorine free.
- Excellent dewatering properties.

PHYSICAL PROPERTIES / SPECIFICATIONS

Property	Method	Value
Kinematic Viscosity @ 40°C, cSt	IP	38
Flash Point, °C (COC)	IP	205
Coverage, sq m/lit	Typical	80
Film Thickness	Typical	7-9 Micron
Salt Spray Hrs	B 117	26
Water displacement test	M-139	Passes

PRODUCT NOTE

The above given values are typical results; however the guaranteed specifications values are different and often lower than the typical values. For the guaranteed specifications, please discuss with SRN Lubricants representative.

The information provided in this Technical Data Sheet is based on our best knowledge and experience and is intended as a general guide. The technical data represents typical values and may vary depending on product batches, operating conditions and application methods.

Users are advised to refer to the latest Technical Data Sheet and Safety Data Sheet (SDS) for applicable product information.

Users are advised to evaluate the product for suitability for their specific application and to follow recommended handling, storage and safety practices. CIIFROL accepts no responsibility for any loss, damage or injury resulting from improper, unintended or abnormal use of the product or conditions beyond its reasonable control.
