CIIFROL GLY-COOL

Heavy Duty Radiator Coolant

Description

Ciifrol Gly-Cool is a heavy duty automotive Radiator coolant for use in all the latest Passenger vehicles, commercial vehicles and Off-High Earth moving Machinery. This radiator coolant is made from Mono-Ethylene-Glycol and is blended with selective Anti-Corrosion package.

Performance Standards

Ciifrol Gly-Cool meets the Anti-freeze requirements of Modern Heavy duty and light duty Passenger and Commercial Vehicles. Depending on the end use requirement the dilution ratio with distilled water can be varied between 30% to 50%.

JIS K 2234 – 1994 / IS : 5759 - 1994

Key Performance Features and Benefits

- High Boiling point & low freezing point ensures all weather operation
- Maintains Good Cooling efficiency even in high temperatures.
- Cleaner radiator internals due to quality Anti-Corr additives
- Better engine protection and durability.
- Improved all round performance.

Applications

Passenger cars

Is ideally suited for Modern high performance passenger Cars operating on Petrol

Commercial Vehicles

Is ideally suited for Modern high performance Commercial vehicles operating on Diesel

Earth moving Machinery

Is ideally suited for heavy Duty Earth moving machinery such as Dumpers, Dozers, Tippers, Excavators etc.

Typical Technical Specifications

CIIFROL GLY-COOL

S.NO.	CHARACTERISTICS	CONTROL LIMIT
1	Appearance	Clear & Bright
2	Sp. Density at 29.5° C	1.01
3	Colour	Green
4	Boiling Point, Deg C min	≥ 150
5	Freezing Point 30% Sol. Deg C	-9
6	Freezing Point 50% Sol. Deg C	-20

The information provided in this Technical Data Sheet is based on our best knowledge and experience and is intended as a general guide. The technical data represents typical values and may vary depending on product batches, operating conditions and application methods.

Users are advised to refer to the latest Technical Data Sheet and Safety Data Sheet (SDS) for applicable product information.

Users are advised to evaluate the product for suitability for their specific application and to follow recommended handling, storage and safety practices. CIIFROL accepts no responsibility for any loss, damage or injury resulting from improper, unintended or abnormal use of the product or conditions beyond its reasonable control.
